INTRODUCTION

GOD'S GOLDEN CUP

Babylon has been a golden cup in the LORD'S hand, that made all the earth drunk: the nations have drunk of her wine; therefore the nations are mad.

Jeremiah 51:7

This matter is by the decree of the watchers, and the demand by the word of the holy ones: to the intent that the living may know that the most High ruleth in the kingdom of men, and giveth it to whomsoever he will, and setteth up over it the basest of men.

Daniel 4:17

On Sunday, 17th November, 2002, I started to film a series of 10 talks entitled '6,000 Years of Babylon'. I was amazed at how the New World Order had advanced over the last 200 years, and that it was coming out of the mists of secrecy into mainstream knowledge.

Since then, I have watched as the One World System has come from a crackpot conspiracy theory to an indisputable fact, and this system of ‘Mystery Babylon’ is increasing at an alarming rate. I now feel it is the right time to put all of the information from these talks into a book and, of course, to update the lectures that I gave to include events since that time.

Part of what I want to reveal in this book is the fact that God has always ruled in the affairs of men and that this Babylon system is a fundamental part of God’s plan on this earth to chastise his people, and to separate a remnant to himself. It is also to give his people an alternative system, and god, if they do not love him.

As the chapter heading scripture says ‘Babylon is a golden cup in the hands of the Lord’. It is God who separated light from darkness and made the possibility of free will. The great need of lovers is that they want love from a free and pure heart, and not from force or fear. God’s plan is one of love, and romance, and those who love him in return must do so out of a free heart.

Seduction, Fear, & Counterfeit Worship

I also, with this study, want to show that the system of Babylon is one of seduction, prostitution, fear, and counterfeit worship, and all of this is for a specific aim. It has been hidden since the beginning of time and that is why God calls it the ‘Mystery Religion’. Its purpose is hidden even from most of its own initiates. That is why symbols and allegories abound – to ‘hide the truth in plain view’. There are many, many, levels of understanding and

most of the people involved do not know of the ultimate aims of this system. Only a very few people at the top of the pyramid know the truth. All other levels are deceived by their superiors as to the real mystery.

Babylon is not just a geographical city or an allegory of the Great Whore, but is a principle that has been with us since Eve ate the fruit in the garden of Eden, and will be with us until just before the return of Jesus to this planet.

As I am looking at the history, and also the future, of Babylon, I will look at the many manifestations of physical Babylon throughout history to show the principles. I will be starting with the tower of Babel, from which we derive the name. The Greek form of Babel (Semitic form Babilu), means 'The Gate of God', and this is a clue to what is the underlying principle of this system – a gateway to reach the other side, and for the other side to reach humanity – a counterfeit worship and mystery religion that is natural for us all to desire if we do not have a relationship with the one and only true God – Jehovah.

Nebuchadnezzar and Daniel

The second great manifestation of this system was in the days of King Nebuchadnezzar and Daniel, and I will look at how it is a perfect type of the one that we are now entering in world history, where the whole world, and almost all of 'The Church', will become a part of it. Only a remnant will escape the deception of this present and final Babylon system. Most of Christendom have

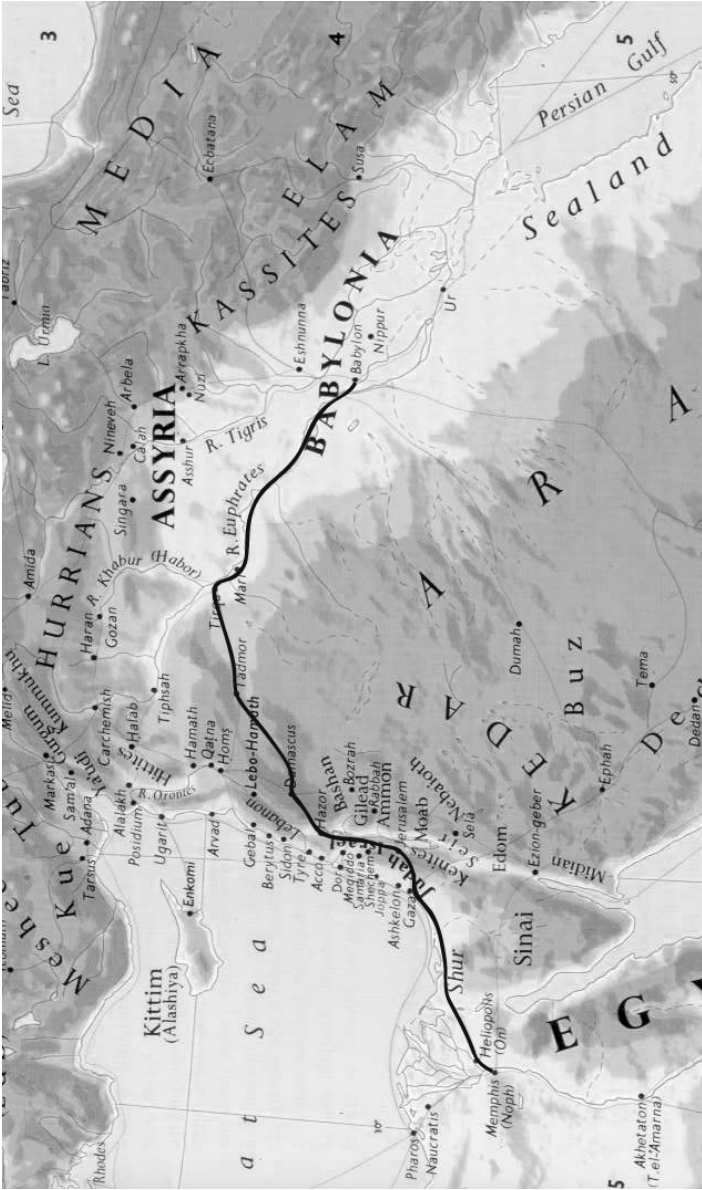

already been seduced and, in doing so, have prostituted themselves. They have a form of Godliness but the power of the bride is far from them. The outward attire of the whore is beautiful, expensive, and alluring, but the cup in her hand is full of abominations and blasphemies. So, the outward Church is prospering and advancing, but the substance and life of Christ is sadly missing because the finance, politics, and cultures of this present world have seduced it.

Mystery Babylon

In this study I am not going to concentrate on all the details of this Mystery religion of Babylon, and the many and varied occult practices that flow from it. There are many books and documentaries on the physical perversions and practices, and the many myths surrounding this system, with their connections to all religions including Christianity, Islam, Hinduism, Judaism, and all of their many offshoots.

My desire, in this series, is to expose the principles on which this system has its foundations and manifestations. Then in any age, political situation, or cultural setting, the reader will be able to discern when Babylon is at work to seduce, corrupt, and cause whoever will be deceived to prostitute themselves from the truth that is in Christ Jesus alone.

This book should leave you in no doubt who the whore is, what is her system, and how you, as a reader, can come out of Babylon before it is too late.

CHAPTER 1

BABYLON & EGYPT

The LORD God of Israel says, I brought up Israel out of Egypt, and delivered you out of the hand of the Egyptians, and out of the hand of all kingdoms, and of them that oppressed you:

1 Samuel 10:18

This whole land shall be a desolation, and an astonishment; and these nations shall serve the king of Babylon seventy years. And it shall come to pass, when seventy years are accomplished, that I will punish the king of Babylon, and that nation, says the LORD, for their iniquity,

Jeremiah 25:11-12

The location of countries and nations around the world are not by accident, for it was God who made the earth and he rules in the affairs of men and nations. The geographical location of countries and empires has great

significance both physically and spiritually. The situation that God chose, to make his dwelling place on earth, is located in-between Egypt to the south, and Chaldea, or Babylonia, to the north east. Travel from Egypt to Babylon on the old spice trade route would take a person through the land of God's choosing – Israel. Egypt and Babylonia were two very different cultures and represent very different things spiritually and this is what I want to look at before we concentrate on Babylon itself. It is not by chance that these two great empires had no political relationship, because they portray entirely different things spiritually; although they did trade between themselves. Footnote 1 So, what is the difference between Egypt and Babylon spiritually, and what do they both signify to us?

Egypt - The world

I think all bible students are told that Egypt is a type of this world. I agree with this analogy, for it fits perfectly. God's people were redeemed from Egypt with the blood of a lamb and taken through the wilderness to the promised land. The redemption was for a man and his household, and this is exactly what it says in the New Testament – that Salvation is for a man and his house.

And brought them out, and said, Sirs, what must I do to be saved? And they said, Believe on the Lord Jesus Christ, and you shall be saved, and thy house.

Acts 16:30-31

I should note here that Israel actually started life in Babylon. Abram, the grandfather of Jacob, whose name

God changed to Israel, was born there and was asked by God to leave. In the days of Joseph, Jacob went to Egypt with his extended family and they were there for 400 years until the time of their deliverance. In fact God made a family of 70 into a nation of possibly 3,000,000 people in this ‘iron furnace’.

The redemption from Egypt is, in type, the salvation of the whole world that Jesus came to purchase. Anyone, Israeli or Egyptian, could apply the blood and would escape the wrath of God. So it is today; anyone who applies the blood of the lamb – Jesus – will be redeemed. Of course, to be called out of Egypt one has to be in it. Everyone is born into this world and its system. It is our natural environment,

When Israel was a child, then I loved him, and called
my son out of Egypt.

Hosea 11:1

The above scripture from Hosea is about Israel being delivered from Egypt, but is quoted in Matthew’s gospel as it also applies to Jesus. Even Jesus had to go to Egypt so that God could call him out from it.

And was there until the death of Herod: that it might be
fulfilled which was spoken of the Lord by the prophet,
saying, **Out of Egypt have I called my son.**

Matthew 2:15

If anyone at all, in any age, is to be redeemed, it has to be from Egypt (spiritually), and not Babylon – I will show what Babylon represents later in this chapter.

The Pharaohs were kings of Egypt and so they represent Satan. Bible students seem to agree on this also and so do I, for Paul tells us that Satan is the god of this world. Egypt therefore, fits very perfectly in the spiritual realm as it does in the natural and physical realms.

In whom the **god of this world** has blinded the minds of them which believe not, lest the light of the glorious gospel of Christ, who is the image of God, should shine unto them.

2 Corinthians 4:4

Never Go Back

God's redeemed people were warned never to go back to Egypt. To do so is not to backslide, as we would suppose, it is actually symbolic of losing our salvation – for to go back to the place you were redeemed from is to reverse what has been done. It is to count the blood of the covenant an unholy thing.

Of how much sorer punishment, do you suppose he be thought worthy, who has trodden under foot the Son of God, and has counted the blood of the covenant, wherewith he was sanctified, an unholy thing, and has done despite unto the Spirit of grace?

Hebrews 10:29

Woe to them that go down to Egypt for help; and stay on horses, and trust in chariots, because they are many; and in horsemen, because they are very strong; but they look not unto the Holy One of Israel, neither seek the LORD!

Isaiah 31:1

See below how God pleads with his people not to go back to where they were redeemed from. It is so serious.

But if you say, We will not dwell in this land, neither obey the voice of the LORD your God, Saying, No; but we will go into the land of Egypt, where we shall see no war, nor hear the sound of the trumpet, nor have hunger of bread; and there will we dwell: And now therefore hear the word of the LORD, you remnant of Judah; Thus says the LORD of hosts, the God of Israel; If you wholly set your faces to enter into Egypt, and go to sojourn there; Then it shall come to pass, that the sword, which you feared, shall overtake you there in the land of Egypt, and the famine, whereof you were afraid, shall follow close after you there in Egypt; and there you shall die. So shall it be with all the men that set their faces to go into Egypt to sojourn there; they shall die by the sword, by the famine, and by the pestilence: and none of them shall remain or escape from the evil that I will bring upon them. For thus says the LORD of hosts, the God of Israel; As my anger and my fury has been poured forth upon the inhabitants of Jerusalem; so shall my fury be poured forth upon you, when you shall enter into Egypt: and you shall be an execration, and an astonishment, and a curse, and a reproach; and you shall see this place no more. The LORD has said concerning you, O you remnant of Judah; Go not into Egypt: know certainly that I have admonished you this day.

Jeremiah 42 13-19

It should not surprise that we have the same pleading from God, to us who are under the New Covenant? The principles do not change, and yet our present Church denominations are courting the world as never before and rushing headlong into it. What folly and absolute madness when we have the scriptures to warn us so clearly.

Could the following words be any stronger?

If ye were of the world, the world would love his own: but because ye are not of the world, but I have chosen you out of the world, therefore the world hates you.

John 15:19

Love not the world, neither the things that are in the world. If any man love the world, the love of the Father is not in him.

1 John 2:15

You adulterers and adulteresses, don't you know that the friendship of the world is enmity with God? Whosoever therefore will be a friend of the world is the enemy of God.

James 4:4

What About Babylon

If the world is represented by Egypt then what does Babylon represent? It is not difficult to understand if we know our bibles and the dealings of God with his own people. After many years of rebelling against God's commandments and statutes, God handed his own

redeemed people over to Babylon. They had the world, its customs, and gods in their hearts and had brought the idols of the world into Israel.

Babylon is where God puts his backslidden people for punishment. It is also where he calls the remnant out for a special purpose.

I will expand on this principle as we go through the history of Babylon. God's punishment is for a fixed period and Israel were told not to rebel against his chastisements. Only when the punishment was finished could a remnant return to the place God had chosen for them.

Thus says the LORD of hosts, the God of Israel, unto all that are carried away captives, **whom I have caused to be carried away** from Jerusalem unto Babylon; Build houses, and dwell in them; and plant gardens, and eat the fruit of them; take wives, and beget sons and daughters; and take wives for your sons, and give your daughters to husbands, that they may bear sons and daughters; that ye may be increased there, and not diminished. And seek the peace of the city whither I have caused you to be carried away captives, and pray unto the LORD for it: for in the peace thereof shall ye have peace.

Jeremiah 29:4-7

If ye will still abide in this land, then will I build you, and not pull you down, and I will plant you, and not pluck

you up: for I repent of the evil that I have done unto you. Be not afraid of the king of Babylon, of whom you are afraid; be not afraid of him, says the LORD: for I am with you to save you, and to deliver you from his hand. And I will show mercies unto you, that he may have mercy upon you, and cause you to return to your own land.

Jeremiah 42:10-12

The King of Babylon

If Pharaoh is a type of Satan then what can the king of Babylon be a type of? I will show in later chapters, from scripture, that he is a perfect type of antichrist. All rulers of the statue of Babylon, right down to the present revival of the iron legs of the Roman Empire to the toes of clay and iron, have been a type of this man. It is all a part of God's plan and not Satan's. I will show that God gave the kingdom, the power, and the glory to this system, and it has continued to be the counterfeit religion of worship ever since before the day of Nimrod. It is this mystery religion that is so appealing to our flesh with all its soulish rituals, services, ceremonies, and mysteries.

You, O king, are a king of kings: for the God of heaven has given you a kingdom, power, and strength, and glory. And where ever the children of men dwell, the beasts of the field and the fowls of the heaven has given into your hand, and has made you ruler over them all. You Nebuchadnezzar are this head of gold.

Daniel 2:37-38

God looks upon Babylon as a woman, just as he does the city of Jerusalem. God sees Jerusalem as the virgin bride, and calls Babylon the great and filthy prostitute. As prostitution is not about politics, but money by immoral means, so Babylon is a system of wealth through seduction, although it courts politicians just as a wealthy courtesan would. This city and woman is the perfect counterfeit and looks exactly the pure virgin by her apparel and demeanour. It is the heart that is far from pure, but of course outward appearance does not reveal the heart and that is the deception and great appeal – for all men admire a beautiful woman.

And the woman was arrayed in purple and scarlet colour, and decked with gold and precious stones and pearls...

Revelation 17:4 -5

Entrapment or Punishment

The conclusion then, is that Egypt is all about the world and its entrapment, which we need deliverance from. Babylon is all about seduction and counterfeit worship and it is God who puts his people there for worldliness as punishment until the time comes for a remnant to be called out to rebuild Jerusalem – the virgin bride of Christ. Egypt includes the whole world, whereas Babylon is for God's rebellious people in any dispensation

Footnote 1

It is well known that no indications are found of any political relations between Babylonia and Egypt in this period, either

of a friendly or of a hostile nature. Egypt and its kings do not figure in texts from Babylonia, and conversely Babylonia and its kings do not occur in the texts from Egypt. This does not mean that no trade relations existed between the two empires... (From The trade relations of Babylonia and the questions of relations with Egypt in the old Babylonia period)by W.F.Leemans

CHAPTER 2

PRINCIPLES OF THE SYSTEM OF BABYLON

Money, like writing, seems to have been invented by the priests of the old Babylonian cities, probably because they needed a way of measuring the value of sacrifices and offerings to the temple.

In Nebuchadnezzar's Babylon, the first great money centre in history, several priests were also bankers and all bankers were priests.

Wolf Schneider (Babylon is Everywhere)

And said unto him, All these things (the kingdoms of this world and the glory of them) I will give you, if you will fall down and worship me.

Matthew 4:9

Throughout the bible God revealed himself as a delivering, preserving, loving God to all those that

he chose. When a person is confronted with the true character of God it is not easy to resist the attraction; and to love and worship in return becomes a natural consequence of knowing the truth about God.

You Shall be Like God

Satan wants to be like God, and so he also craves worship. Of course he cannot reveal his character as he is a liar and murderer, and no one ‘in their right mind’ would want to love and worship him if he exposed himself, so he uses seduction as his first tool. This is the nearest he can get to be like God, for by seduction the worship he receives, even indirectly, is with a person’s free will. If the seduction fails then he resorts to his second tool – that of threats and force. Satan never wants to use force, because he craves love from our free will; just as God does. We will see this principle of seduction and force enacted out when we look at Babylon in the time of Nebuchadnezzar.

This world has existed long enough for all thinking people to realise that history repeats itself – it is cyclic and so Babylon returns again and again on the world’s stage. Each manifestation of the physical empire of Babylon, as we go through history, reveals more details of its principles. As already stated in the introduction I will concentrate on what I consider to be the 3 main manifestations through history – the tower of Babel; the empire of Babylon in the time of Daniel; and the, present, and last Babylon that will end just before the return of Jesus, very soon. The first 2 were prophecies of the final one that we are now a part of. The One World

Order, that politicians around the world are taking their countries into, is the very system of ‘Mystery Babylon’. I will show later in this study that it is still a system that has an ultimate aim to instigate and maintain worship of Satan, either by deception or force. Although this is not always apparent, and most of those promoting this One World Order are not aware of the ultimate aim, there is no doubt in my mind that this is what Satan craves for more than control, manipulation, or perversion of God’s order. In fact all these things are just a means to achieve this burning desire to be worshipped like the true and worthy God.

Nothing Changes

Satan still uses the same old strategy to deceive that he first used in the garden of Eden to seduce the first woman – that is, to promise hidden wisdom and immortality. This is always appealing to our god like character, and it tests our obedience and love for the true God who made us in his image.

Although it is true that whenever this Babylonian system manifests in a world power it seeks world domination, I do not believe this is the end purpose, but a means to the end purpose which is not world domination, but world worship. This is what Satan offered Jesus in the wilderness – world domination – if he would fall down and worship him. Power, status, wealth, and immortality, are always the bait for worship of Satan. I find it so sad that today ministers of the gospel of Christ are still falling for the third of these temptations,

and are rushing headlong into the Babylonian system of counterfeit worship!

Satan's system needs to own the money of this world, but it is not about wealth per se, it is about control. Henry Kissinger, who is a One World advocate and has been working tirelessly for many decades for the system, said:

“Control oil and you control nations; control food and you control the people.”

Kissinger

One of the Rothschild family, who are the bankers of Babylon, said;

Let me issue and control a nation's money and I care not who writes the laws.

Mayer Amschel Rothschild 1970

It should be obvious now, even with the little information that I have shared, to understand why Jesus and the Apostles warned about the love of money – it is the greatest snare to us in the West. Covetousness is the basis of all the debt based economies around the world. When we borrow money we become servant to those who lent it to us. Borrowing is a snare that traps a person or country. Jesus did not call money ‘filthy lucre’ without good reason.

The rich rules over the poor, and the borrower is servant to the lender.

Proverbs 22:7

Paul told Timothy, a young minister, that the love of money was the root of all evil.

For the love of money is the root of all evil: which while some coveted after, they have erred from the faith, and pierced themselves through with many sorrows.

1 Timothy 6:10

Paul told the Christians in Colosse that covetousness was idolatry. The idol is self – self love is the opposite of God love. There are only two options.

Mortify therefore your members which are upon the earth; fornication, uncleanness, inordinate affection, evil concupiscence, and **covetousness, which is idolatry:**

Colossians 3:5

God did not intend man to use currency backed by gold as a way of exchange. God's way is one of exchange of goods. From the original way of bartering, the Babylonians introduced paper money and promissory notes

The ancient Babylonians were the original inventors of money as a means of exchange, of promissory notes, and written deeds to property.

The richest man in Babylon - George Glaston

The world's money is no longer backed by gold and is 'fiat money'. Footnote 1 It has no value of itself and

is all based on trust. The world bankers print it at will and then charge interest on it. I will look more into this when we come to the present Babylon we are living in. According to the ‘investopedia’ web site:

Most of the world’s paper money is fiat money. Because fiat money is not linked to physical reserves, it risks becoming worthless due to hyperinflation. If people lose faith in a nation’s paper currency, the money will no longer hold any value.

www.investopedia.com

The Illusion of Wealth

Culture and art is a good example of how the illusion of value and accumulation of wealth is achieved. A painting by a talented artist costs very little to produce. In fact a ‘swept frame’ costs more than the materials that produced the painting – which only consists of canvas, a frame, and some paint. Granted, it takes a man’s time to paint it, but it does not take years to produce a masterpiece. A Rembrandt was sold for very little when it was first sold, so how can the same painting be worth millions now. I understand a little of the art world and know how a dealer will work. He will sell a painting for ‘X’ amount to a purchaser, 3 years later he will approach the man and offer him profit on this painting if he buys a more valuable one. The fact that in 3 years the first painting shows a profit and seemed to be a good investment the man is now tempted to give his painting in part payment for another more valuable one. The dealer takes the first painting that now cost him ‘X’, plus

the extra he gave the man, and takes it to another client and asks him to pay this increased cost, plus profit, and not what the original price to him was. In this way the paintings are accumulating in price each time they are sold. The inflation is artificial as the true value never alters. After centuries, if the painting is good and rare, then what was worth a few pounds becomes worth millions, and yet its true value is the original price – plus inflation of course, which will never make the transition from a few pounds to countless millions.

It is the same now with sport. If a player is valued at £1,000,000, the next time he is sold his price will go up and this has nothing to do with inflation, but the accumulation, artificially, of wealth.

The value of anything is the price someone will pay for it. You can ask a £1,000,000 for a loaf of bread but if you are only offered £1 then that is its value. That is why we have the wicked system of withholding goods to keep the price high. A good example of this is in diamonds. There are billions of pounds worth of diamonds that could go on to the market, and make them all cheaper for us to purchase, but they are withheld and slowly filtered to the world's markets to keep them rare and at false value. It is the same with oil and many other commodities. For the same reason countries pour good sugar and butter away – to keep the world markets high. This is the system of Babylon, for it needs control of food and money and commodities to eventually force those who will not be deceived by the whore to worship the one world dictator.

When people are full of God and his grace then this system gives way naturally to another system, that was

exemplified in the early church. God's people will always gravitate back to this in true revival.

And all that believed were together, and had all things common; and sold their possessions and goods, and parted them to all men, as every man had need.

Acts 2:44-45

And the multitude of them that believed were of one heart and of one soul: neither said any of them that any of the things which he possessed was his own; but they had all things common. And with great power gave the apostles witness of the resurrection of the Lord Jesus: and great grace was upon them all. Neither was there any among them that lacked: for as many as were possessors of lands or houses sold them, and brought the prices of the things that were sold, and laid them down at the apostles' feet: and distribution was made unto every man according as he had need.

Acts 4:32-35

This is God's way and all others are a perversion and the beginnings of the Babylon system of control by the lenders. How sad that when a group of Churches come together as an organisation – denominations – they start to do the opposite of what the early Church did and embrace the principles of Babylon by investing in buildings, insurance, banking, and introduce political systems into their structures. Babylon has always produced great wealth to control kings and the merchants of this earth. Here is a quote from the bible about this

last Babylon system that we are now a part of – we will look at this system in depth later in this study. When Babylon falls, those who have profited by her will bewail her demise.

And the kings of the earth, who have committed fornication and lived deliciously with her, shall bewail her, and lament for her, when they shall see the smoke of her burning, standing afar off for the fear of her torment, saying, Alas, alas, that great city Babylon, that mighty city! For in one hour is thy judgement come. And the merchants of the earth shall weep and mourn over her; for no man buys their merchandise any more:

Revelation 18:9-11

East and West

Another Principle of Babylon is that it started in the east and has slowly circumnavigated the world moving westward as it increased in size. I will look at this in later chapters, but we can see the beginnings of this system start as soon as man left Eden. God planted a garden that faced the east and so when God banished Adam and Eve from this paradise he placed Cherubim at the entrance, which was on the east side – Adam leaving this garden would go eastward.

And the LORD God planted a garden eastward in Eden; and there he put the man whom he had formed.

Genesis 2:8

So he drove out the man; and he placed at the east of the garden of Eden Cherubim, and a flaming sword which turned every way, to keep the way of the tree of life.

Genesis 3:24

When Cain left the presence of God he also went east.

And Cain went out from the presence of the LORD, and dwelt in the land of Nod, on the east of Eden.

Genesis 4:16

However, after the flood man started to go west; the bible commentary says that man journeyed from the east – so therefore they were travelling towards the west. We shall see as we go through the history of Babylon that it always extended to the west.

And it came to pass, as they journeyed **from** the east, that they found a plain in the land of Shinar; and they dwelt there.

Genesis 11:2

Counterfeit not Contrary

Satan is not the opposite of God and his plan is not the opposite of God's. His plan is the same, but counterfeit, and this is an important distinction. He wants to be like God, so everything he does is a copy and counterfeit. This is contrary to how most Christians think, for they believe Satan is the opposite in everything. God is good,

he is bad; God is light, he is darkness; even though Paul says he is transformed into an angel of light. Satan never comes as darkness, always as illumination and revelation. This is his great subtlety; and most of the world and the Church have fallen for his lie and counterfeit system Babylon – and its offer of immortality without God.

Mystery Babylon

The last principle that I want to share is perhaps the most fundamental and least understood by bible scholars, and yet the bible makes it clear in its description of this system. Many times it is described as ‘Mystery Babylon’ and this is with good reason, for there is a mystery that very few of even its initiates know. I hope to expose the mystery as we go through this series, but I can state the basis of the mystery here in the beginning. The 46 words that the serpent spoke to Eve give us a clue. After he asked a question about taking the fruit of the forbidden tree of the knowledge of good and evil, he told her a lie “You shall not die”. God told Adam that he would die the day he ate it. In fact the serpent was offering Eve immortality if she ate of the fruit, he told her she would be like God. This part was true, for God confirmed the fact after she had eaten the fruit.

And the LORD God said, Behold, the **man is become as one of us**, to know good and evil: and now, lest he put forth his hand, and take also of the tree of life, and eat, and live for ever:

Genesis 3:22

Babylon's Holy Grail

This has been the Holy Grail of Babylon. This is what Alchemy, and the Masonic orders are all about, This is why Satan is behind all scientific discoveries and mysteries, to find a way for man to become immortal. This is why genetic engineering is a part of his plan, and why an alien invasion is said to be very near. This is why all religions have a history of gods coming and mating with humans to create hybrid offspring, This is why we have an epidemic of radio, TV, and film stories about humans with super powers. It is all building up to the final Babylon and its race of gods who are humans with Satanic fathers. This is the great secret and mystery of Babylon. Those who now almost control the world believe we are to enter the next quantum leap of evolution to a post human race of humanoids, with altered states of consciousness and super powers.

If the last paragraph seems crazy, just wait as we go through history and I will explain where we are now with this mystery, before you then decide for yourself.

Footnote 1

Definition of 'Fiat Money'

Currency that a government has declared to be legal tender, despite the fact that it has no intrinsic value and is not backed by reserves. Historically, most currencies were based on physical commodities such as gold or silver, but fiat money is based solely on faith.

The use of the gold standard would mark the first use of formalized exchange rates in history. However, the system was flawed because countries needed to hold large gold reserves in order to keep up with the volatile nature of supply and demand for currency. After World War II, a modified version of the gold standard monetary system, the Bretton Woods monetary system was created as its successor. This successor system was initially successful, but because it also depended heavily on gold reserves, it was abandoned in 1971 when US President Nixon 'closed the gold window'.

CHAPTER 3

IT ALL STARTED WITH EVE

Prostitute – noun.

One who solicits and accepts payment for sex acts.

One who sells one's abilities, talent, or name for an unworthy purpose.

And Adam was not deceived, but the woman being deceived was in the transgression.

1 Timothy 2:14

The system and principles of Babylon did not start with Nebuchadnezzar, who lived around 600 BC, nor did it start centuries before through Nimrod and the tower of Babel. No, it is far more fundamental than that. It all started in the garden of Eden. Let us see how it all happened.

Babylon is a system of false, counterfeit worship. Eve's seduction in the garden of Eden was performed by Satan himself, and her decision to his suggestion was a very simple one.

There were no morals before she ate of the tree of the knowledge of good and evil (or tree of conscience), for that was the bait Satan used – to be like God and know the difference between good and evil. Eve's decision was one of obedience or disobedience. The criteria for her decision was also very simple, for God had told Adam and Eve not to eat of this tree.

Who Do You Love?

The unasked question being answered with her decision was; “Who do you love most?”. The answer was that she loved herself more than God and this ‘love of self’ is the root of all sin and the seeds of the Babylonian spirit. Self love is the very spirit of Babylon and is indirect worship of Satan, and rebellion against the true God. At the very beginning of the 10 Commandments which God gave to the people whom he had redeemed out of the clutches of Satan's kingdom – Egypt, he stated clearly the root of all rebellion against him.

You shall have no other gods before me. You shalt not make any graven image, or any likeness of any thing that is in heaven above, or that is in the earth beneath, or that is in the water under the earth: You shalt not bow down to them, nor serve them: for I the LORD your God am a jealous God,

Exodus 20:3-5

Mankind was made to worship and love – we have no choice in the matter – it is as fundamental as breathing, and it is not a matter of ‘will we worship?’, but ‘who

will we worship’. It is a simple choice, for there are only two possible ways we can go – self worship or God worship. Everything we do that disobeys God’s order, is self worship and is to make the same decision Eve made, and to choose, what is good and what is evil in our own minds. Of course, we are deceived when we worship anyone except God, but that is why God allows Satan to suggest that it is wise to choose self and disobey him – to see what is in our hearts.

Love Through Obedience

God wants love through obedience and love, and not through deception or force. Satan is very necessary to God’s plan; for God wants us to have choice, and an alternative to what God says provides this. Love can only be proved and manifested in adversity. The very name Satan means ‘adversary’ – it is as fundamental as that.

Satan

Adversary, one who withstands.

Strongs 07854

As well as offering Eve the secret knowledge, he offered her immortality. This was another bait and deception, for she was cut off from the tree of life that would keep her from ageing. God did not curse man with death, he just removed the means to keep mankind from living forever – and death was the consequence. When the new heaven and earth are created by God, then man will have access to the tree of life and will live forever.

Most of the inhabitants on the new earth will be in flesh and blood, but have access to the tree of life.

In the midst of the street of it, and on either side of the river, was there **the tree of life**, which bare twelve manner of fruits, and yielded her fruit every month: and the leaves of the tree were for the healing of the nations.

Revelation 22:2

I will not elaborate on this little taught fact from scripture for I have covered it in a series of books I have written. Footnote 1

Babylon is a prostitute

In the book of Revelation, God calls ‘Mystery Babylon’ the ‘Great Whore’, and the ‘Mother of Harlots’. Eve was seduced and corrupted for the benefits offered, and so she was the first woman to prostitute herself spiritually. This whole system is to do with spiritual prostitution (of course spiritual things have physical manifestations and Babylon is also a system that is full of physical perversions, including sexual of God’s order). It is obvious that you cannot prostitute yourself if you are already a prostitute, so Mystery Babylon is Satan’s tool to pervert the true virgin people of God. Israel were God’s virgin bride.

This is the word which the LORD has spoken concerning him; The virgin, the daughter of Zion, has

despised you, and laughed you to scorn; the daughter of Jerusalem has shaken her head at you.

Isaiah 37:22

And Christ's Church are his virgin bride.

For I am jealous over you with godly jealousy: for I have espoused you to one husband, that I may present you as a chaste virgin to Christ.

2 Corinthians 11:2

Whenever God's people took other gods then God said they had 'played the whore'.

You have played the whore also with the Assyrians, because you were insatiable; yes, you have played the harlot with them, and yet couldn't be satisfied.

Ezekiel 16:28

Satan does not mind dual worship. He is happy if you worship Jehovah and other gods at the same time. He is not jealous, because jealousy is a product of love and he does not have that capacity. Satan produces self love and that produces envy which has a different root than love. Jehovah is a jealous God and demands that those who worship him, worship him only. The great deception of Mystery Babylon is that it allows people to worship other gods as well as the true one – as when Israel had a feast to Jehovah, but around a golden calf (See Exodus 32). Notice the plural 'gods' and not God in the following verse.

And Aaron received them at their hand, and fashioned it with a graving tool, after he had made it a molten calf: and they said, **These are your gods**, O Israel, which brought you up out of the land of Egypt. And when Aaron saw it, he built an altar before it; and Aaron made proclamation, and said, **tomorrow is a feast to the LORD**.

Exodus 32:4:5

(Whenever the word LORD is in capital letters in the A.V., it denotes the true God of Israel – Jehovah).

This is another important principle of Babylon – that it is about mixture – the very word means confusion. In the bible the strongest word to describe God’s abhorrence is the word abomination. Look at this word and you will find it is associated with mixture (e.g. Deuteronomy 17:1 ; 22:5 & 9-10).

And the woman was arrayed in purple and scarlet colour, and decked with gold and precious stones and pearls, having a golden cup in her hand full of abominations and filthiness of her fornication: and upon her forehead was a name written, **MYSTERY, BABYLON THE GREAT, THE MOTHER OF HARLOTS AND ABOMINATIONS OF THE EARTH**.

Revelation 17:4-5

A Redeemer

Adam, by partaking of Eve’s sin, and identifying with it, became her redeemer and of course this was a

prophecy of the second Adam – Jesus – who would take on himself, voluntarily, the sin of the whole world to redeem us. If Adam had not taken the fruit, then Eve would have been banished from the garden, and tree of life, and died. Adam, who could have remained in the garden, would have lived forever because of the fact that he would have access to the tree that makes mortal man live forever.

By partaking of her sin and producing offspring, it enabled the good seed to produce a saviour that would reverse what Adam and Eve did and redeem the whole world. Of course because they had seed after sin then it also meant that the ‘seed of the evil one’ continued in parallel. One man’s sin made us all sinners, and one man’s obedience made us all righteous.

For as by one man’s disobedience many were made sinners, so by the obedience of one shall many be made righteous.

Romans 5:19

Eve had the seed of God in her, but after she prostituted herself she also had the seed of the serpent. Her first children were twins, and one was from the good seed – Abel, and one was from the evil one – Cain, who was born first.

And Adam knew Eve his wife; and she conceived, and bare Cain, and said, I have begotten a man from the LORD.

Genesis 4:1

Not as **Cain, who was of that wicked one**, and slew his brother. And why did he slay him? Because his own works were evil, and his brother's righteous.

1 John 3:12

Eve's First-born is a Murderer

It should not surprise us that the first born of Eve was the world's first murderer, for the bible tells us that Satan was a murderer from the beginning. His seed will always carry the same identification of a murderous spirit.

You are of your father the devil, and the lusts of your father you will do. He was a murderer from the beginning, and abode not in the truth, because there is no truth in him. When he speaks a lie, he speaks of his own: for he is a liar, and the father of it.

John 8:44

The Father of lies

The above scripture also lets us see another of the ways Satan tempts us to disobey God – he is the father of lies. We have now seen that 4 of God's 10 commandments are fundamentally broken with the Babylon system – lies, murder, false worship, and adultery. Of course the other 6 are also part of the way Satan gets us to rebel against God and enter Mystery Babylon.

Part of Eve's punishment was that she would have more conceptions and sorrow in childbirth, and that she would now be ruled by her husband.

Unto the woman he said, I will greatly multiply your sorrow and your conception; in sorrow you shall bring forth children; and your desire shall be to your husband, and **he shall rule over you.**

Genesis 3:16

Authority or Equality

From the above scripture it is obvious that before they had sinned Adam was not to be the 'head' of Eve, but one with her. Because of her disobedience she was to be ruled by Adam, and Satan has tried to reverse this ever since. Goddess worship is as old as Babylon itself. 'Mother of God' is one of the names of this goddess who appears in all religions and cultures as I will show. Feminism is a natural part of Mystery Babylon for it seeks to pervert God's order and it is no surprise to me that in these last days we have had a monumental shift in this area of female emancipation from the order of God. This emancipation from their own husbands is part of Satan's plan. I know Christian women will try to get around this by saying that there is neither male nor female in Christ, but the scriptures they use are about relationship and not authority. Most Christians do not differentiate between relationship and authority, and so cannot reconcile the many scriptures that seem to contradict each other. In relationship there is certainly equality and unity.

There is neither Jew nor Greek, there is neither bond nor free, there is neither male nor female: for you are all one in Christ Jesus.

Galatians 3:28,

The wife has not power of her own body, but the husband: and likewise also the husband has not power of his own body, but the wife.

1 Corinthians 7:4

No equality in Authority

When the bible talks about unity and relationship there is always equality, but when the bible talks about authority there is never equality as it is a contradiction of the meaning of the word

Authority:

The power to enforce laws, exact obedience, command, Determine, or judge.

There can never be equality in authority – workers and bosses, pastors and congregations, teachers and pupils, and so many scriptures show that in authority a husband still has power over his wife under the new covenant of grace, just as Christ always has authority over the his Church.

But I would have you know, that the head of every man is Christ; **and the head of the woman is the man;** and the head of Christ is God.

1 Corinthians 11:3

This verse shows that although Jesus is equal with God in relationship and unity, he is not equal in authority, and his own words in the gospels confirm this principle of authority.

Then answered Jesus and said unto them, Verily, verily, I say unto you, **The Son can do nothing of himself**, but what he sees the Father do: for what things he does, these also does the Son likewise.

John 5:19

I can of my own self do nothing: as I hear, I judge: and my judgement is just; because I seek not my own will, but the will of the Father which has sent me.

John 5:30

You have heard how I said unto you, I go away, and come again unto you. If you loved me, you would rejoice, because I said, I go unto the Father : for **my Father is greater than I**.

John 14:28

If Jesus is not equal with God in authority how can a wife be equal in authority with her husband.

Once a person understands the difference between unity and authority it is easy to differentiate in any given circumstance. For example, because the communion meal is about unity and relationship, and not authority, then there is no need for a man to administer it. When choosing a deacon or elder the scripture is clear that it is a position of authority and would exclude women, as she cannot rule her husband, as this was a qualification in Paul's instructions for this office. To 'rule your own house', obviously means to be in authority and not in a partnership.

A bishop then must be blameless, the husband of one wife, vigilant, sober, of good behaviour, given to hospitality, apt to teach ... (For if a man know not how to rule his own house, how shall he take care of the church of God?)

From 1 Timothy 3:2-4

Eve's Rebellion

Eve's rebellion against the rule of God was the beginning of counterfeit worship, and the elevation of the female over the male. 'Mary – Mother of God', what a blasphemy, is part of this rebellious female deity and is an integral part of Mystery Babylon that appears in each culture and civilisation with different names but the same goddess. Semiramis of Babylon, Asteroth of Israel, Diana of the Ephesians, Istar of the Canannites Aphrodite of the Greeks, Isis of the Egyptians, and many more, are all manifestations of the rebellion of Eve against authority. Eve is the first whore and the seeds of Babylon. She was God's woman, but played the whore. (I will look at Nimrod and the many names that have been used throughout history for this false god when we get to the chapter on the Tower of Babel).

Who Owned Eve?

Eve did not become the property of Satan, even after she had sinned, and this is important to note. Babylon is the backslidden people of God, and is not Satan's by

right – only by deception. That is why God calls his people out of Babylon. We must not give Satan too much credit. For sure, he deceived them, but they were never his by right and God is still looking for those who will realise this and come out of the system before it is too late. There is still time, but it is running out fast and I urge every reader to make the sacrifice, pay the price, and come out of this religions system, from whatever religion you are named.

God called a people and not a religion. The Pharisees started Judaism and the Catholic Church started the religion of Christianity, whereas Christ came to give us a relationship with his father. If you have a religion it stops relationship and if you have a true relationship you do not need religion. I need to state that I am not criticizing people going to a building to have fellowship or giving themselves a name to identify them. I am against the religious spirit that operates automatically when business, politics, entertainment and culture, come into the body of Christ. When this happens the relationship subtly changes from ‘relationship a with God’ to a ‘relationship with a denomination or religion’.

I fell compelled to inform you that all religions are tarred with the same brush. The liturgy may be very different, but alas, it is still the same hymn book!

CHAPTER 4

PHYSICAL MANIFESTATIONS OF BABYLON

And his brother's name was Jubal: he was the father of all such as handle the harp and organ.

Genesis 4:21

And Cain knew his wife; and she conceived, and bare Enoch: and he built a city, and called the name of the city, after the name of his son, Enoch.

Genesis 4:17

There are moments when one is more ashamed of what is called culture than anyone can ever be of ignorance

Edward V. Lucas

Eve and her rebellion started the system, but it was only the seeds of Babylon, and it took her children to

manifest this system to another stage. This principle manifested in the first children of Adam and Eve. It should be of no surprise that the story of Cain and Abel, was all about worship. Abel's worship pleased God with his sacrifice, because a lamb was God's preference. Cain's sacrifice, the fruit of the ground, did not please God.

Flesh Versus the Spirit

Cain was angry because God favoured Abel's worship, and we see here the principle that the two seeds are at enmity. Those with alternative worship will always persecute those whose worship pleases God – Cain against Abel, Ishmael against Isaac, Saul against David, Sinai against Jerusalem, and the Christians of the flesh against the Christians of the spirit.

Babylon is the counterfeit, prostituted seed, and therefore will always persecute the virgin bride of Christ. It is the murderous spirit of Babylon that persecutes the remnant who have come out of Babylon and Paul shares this principle with the Galatian believers.

But he who was of the bond woman was born after the flesh; but he of the free woman was by promise. Which things are an allegory: for these are the two covenants; the one from the mount Sinai, which genders to bondage, which is Agar. For this Agar is mount Sinai in Arabia, and answereth to Jerusalem which now is, and is in bondage with her children.

But Jerusalem which is above is free, which is the mother of us all ...But as then he that was born after

the flesh persecuted him that was born after the Spirit,
even so it is now.

From Galatians 4:23-29

We see an interesting progression now in the life of Cain. After he had murdered his brother, it says he left the presence of the Lord.

And Cain went out from the presence of the Lord and
dwelt in the land of Nod on the east of Eden

Genesis 4:16

God's presence is the natural environment for someone who has a right relationship with God. However, when sin is in our heart we try to avoid this close relationship with God, and seek an alternative environment. Jonah is a good example of this – when he did not want to obey God, he fled the presence of the Lord.

Then were the men exceedingly afraid, and said unto
Jonah. Why have you done this? For the men knew
that he fled from the presence of the Lord, because
he had told them.

Jonah 1:10

An alternative Environment

What was the alternative environment that Cain built for himself? He built a city. Adam had no instructions from God to build anything. His work was to dress the garden, be fruitful and multiply, and have dominion over

the animal kingdom, but not of his fellow humans, but now that Cain had left God's presence he needed to build his own environment and he started to empire build. He named the city after his son, Enoch, to leave a name for himself. We shall see later in this study that this is the very ethos of Babel – 'let us make a name for ourselves'.

And Cain knew his wife; and she conceived, and bare Enoch: and he built a city, and called the name of the city, after the name of his son, Enoch.

Genesis 4:17

When any group of people start an organisation, or denomination, they are entering the threshold of Babylon. Paul said that as soon as we say we are of Paul, or Apolos, or Pentecost, or Baptist, or Calvin, we are carnal (in the flesh) and have gravitated to become a part of Mystery Babylon – however contrariwise our thinking is. We can think of ourselves as being filled with God, but if we are building 'the Church,' or a 'Denomination', we are a part of, and are actually building, the counterfeit Babylon.

As soon as Cain built a city then he started the seeds of culture – that is commerce, entertainment and the arts, and politics. These 3 elements will always manifest in Babylon and we will see as we go through history how they are vital tools in the armoury of Satan. Religion has to have these elements as a seductive and attractive alternative. These 3 elements seduce whole nations, whole Christian denominations, and the whole of a society.

Just a few generations after Cain, his seed produced these 3 elements through 3 individuals from the same

father, and the bible exposes them right in the first chapters of Genesis. This man's name was Lamech.

Jabel the father of Commerce

And Lamech took unto him two wives: the name of the one was Adah, and the name of the other Zillah. And Adah bare Jabal: he was the father of such as dwell in tents, and of such as have cattle.

Genesis 4:19-:21

There were no meat eaters before the great flood and so accumulation of cattle would be a sign of wealth, and commerce. Notice it says he was the father – the founder – of all those who trade. He produced the seeds of commerce, and politics.

Jubel the father of the Musical Instruments

And his brother's name was Jubal: he was the father of all such as handle the harp and organ.

Genesis 4:21

In this verse we see that Jubal was the originator of musical instruments. It is not by chance that they came from the bad seed. Satan needs music to stir the emotions to worship him and music, as a drug, to give us an altered state of consciousness, is an important part of all witchcraft today. Footnote 1

A person full of the spirit of God does not need musical instruments to worship; for it is a 'heart thing', and God

gave us a voice to use if we want to express ourselves. This is not to say that musical instruments are evil of themselves, for they are not, but Adam would not need them in the garden. I will show later in this study that all so called good inventions of men are inspired by the spirit of Babylon and contribute toward the control of mankind by men. The men, who in the enlightenment, we think of as Christian, were actually of Babylon, for they also studied Alchemy and esoteric mysteries. The mixture is always Babylon. When C. S. Lewis mixed Christian allegories with Pagan mythology we have the same thing – mixture, which is an abomination to God, and is the Babylonian spirit.

Tubalcain – Father of the arts.

And Zillah, she also bare Tubalcain, an instructor of every artificer in brass and iron: and the sister of Tubalcain was Naamah.

Genesis 4:22

Here we have the founder of sculpture – the arts and entertainment right in the first few chapters of Genesis, and well before the flood. Babylon will always quickly manifest materially when spiritual adultery occurs. It cannot stay hidden for long.

This man called Lamech also had the murderous seed and spirit of Babylon in him for he was also a murderer, and he makes the following statement to his wives.

And Lamech said unto his wives, Adah and Zillah, Hear my voice; you wives of Lamech, hearken to my speech:

for **I have slain a man to my wounding**, and a young man to my hurt. If Cain shall be avenged sevenfold, truly Lamech seventy and sevenfold.

Genesis 4:23-24

The murderous spirit will always manifest when Babylon is present. All world wars, inquisitions of the Church, and ethnic cleansing, have their roots in this system and is a sign to those with knowledge that the system is in control.

The Good Seed – a Remnant

As we look at the physical manifestations of the bad seed, we must not lose sight of the good seed, which although often a remnant, is always present in any generation and under the most prominent manifestation of Babylon. The very next verse after Lamech makes his statement about being avenged, we have a verse that tells us that the good seed was also manifesting through the replacement for Abel. Adam and Eve had another son and he continued the seed of God. His name was Seth and his son, the grandson of Adam, was called Enos and he began true worship without the need of any culture – pure worship.

And Adam knew his wife again; and she bare a son, and called his name Seth: For God, said she, has appointed me another seed instead of Abel, whom Cain slew. And to Seth, to him also there was born a son; and he called his name Enos:

then men began to call upon the name of the LORD.

Genesis 4:35-26

It took many hundreds of years and 10 generations from Adam before Babylon had complete control of God's creation, and I will show what always happens when Babylon evolves to this stage. God cannot allow it to come to its fullness. Throughout history God has not allowed this system to completely control every human being and he will not allow this final one, that we are now in, to succeed – but they all come very close. We should make note of what God said when Eve had eaten the fruit and started the world on this course of always gravitating to the Babylon system.

And the LORD God said, Behold, the man is become as one of us, to know good and evil: and now, **lest he put forth his hand, and take also of the tree of life, and eat, and live for ever:**

Genesis 3:22

Once man becomes like God he can only allow it to go so far before he sets it back. Babylon, with its mysteries, is searching to transform its initiates into gods, and it would be possible if God did not keep intervening. Footnote 2

The first time God thwarted the plan of this system he cut man off from the tree of life to protect access from it until he creates a new heaven and earth. Cherubim,

and a flaming sword, guarded it until it was lost forever in the Great Flood 1500 years later.

Therefore the LORD God sent him forth from the garden of Eden, to till the ground from where he was taken. So he drove out the man; and he placed at the east of the garden of Eden Cherubim, and a flaming sword which turned every way, to keep the way of the tree of life.

Genesis 3:23-24

We will see in the next chapter that God again stopped Babylon when it had reached a zenith, and God has continued to thwart the system of Babylon throughout history to this present date.

I am now waiting to see, in my lifetime I believe, the fall of the final and largest Babylon system this world has known, for as it has progressed westward it is now embracing the whole earth. I am living in exciting times, and so are you the reader. Don't miss what God is doing in these last of the last days. We need to be watchful and diligent and study history so that we will know what will happen in the near future. I think we have to stop believing the news on the media, which has become the propaganda of Babylon and start to read our bibles without our doctrinal glasses on.

CHAPTER 5

THE FIRST JUDGEMENT OF BABYLON

And GOD saw that the wickedness of man was great in the earth, and that every imagination of the thoughts of his heart was only evil continually. And it repented the LORD that he had made man on the earth, and it grieved him at his heart.

Genesis 6:5-6

But Noah found grace in the eyes of the LORD.

Genesis 6:8

I have shown in the last chapter that the good and bad seed have always been present throughout history. What is also consistent, but not always realised by most Christians, is that the bad seed will always predominate and grow exponentially, whilst the good seed is always

in the minority and often just a hidden remnant. It is important to know this fact, otherwise we are in danger of trying to make the good seed the predominate one in the earth and fight against God's plan. Once God chose a people for himself out of Egypt there were no instructions in the Old or New Testaments to take over the world or to dominate it. God gave his people a small area in which to live and to be lights in the darkness. They were not to bring the world into Israel but they were to be an example of the law and character of the living God to the rest of the world. Only 2 of the whole nation of Israel that were redeemed out of Egypt went into the promised land – a remnant.

Little Flock

The New Testament is the same – we are lights in the darkness, and we must shine in the world, but we are not to dominate it, or force God's laws and character on it. Jesus called his disciples 'little flock'. We are to be witnesses of the truth, and not politicians who seek to be the ruling party. The mandate from Jesus is to tell the world of the life of God, not to win the world. We are not instructed to 'take cities for Jesus' or to 'redeem music' or indeed anything in this world. The Church that is trying to win the world is already a part of the Babylon system – however sincere they may be. They are ignorant of God's plan for his 'little flock', and the principle that God takes despised and feeble things to show his power and love. God's power is always demonstrated best in humility and meekness, insufficiency, and complete dependence on his

sovereignty. Or as one translation puts it – ‘My power is best shown in weak vessels’.

And he said unto me ...My grace is made perfect in weakness.

From 2 Corinthians 12:9

A One World Order

Within 10 generations from Adam the earth was populated, and I estimate there could easily have been 1 billion plus inhabitants (men lived to be hundreds of years of age and had large families). They had one language and the bad seed with its ‘domination spirit’ had taken over all humanity except for one man and his family. This is astonishing, and yet the bible makes it clear that this is so. However, God is not in any way disturbed when these situations arise for he has a plan to use a remnant, and the remnant always survive the judgement of Babylon to the next generation. I am talking of course about Noah and his family – the only righteous man on the planet – only 8 persons survived the ‘Great Flood’.

And the LORD said unto Noah, Come and all your house into the ark; for I have seen you as righteous before me in this generation.

Genesis 7:1

How long after the creation did it take for the earth to be populated and the system of Babylon to dominate? Well, the Jewish historian Flavius Josephus

used manuscripts available during his time to calculate that Noah's Flood occurred 1556 years after the creation.

The record in the Authorised Version of the bible, if you add the years of the first 10 atriarchs, comes to 1656 years.

They agree roughly so we have an idea of when it was.

From King James Bible (AV)

Adam had Seth when he was 130 years of age,
Seth begat Enos at 105,
Enos begat Cainan at 90,
Cainan begat Maleleel at 70,
Maleleel begat Jared at 65,
Jared begat Enoch at 162,
Enoch begat Methusela at 65,
Mathusela begat Lamech at 187,
Lamech begat Noah at 182,
Noah was 600, when the flood came upon the earth

Total from Creation to the Flood 1656 years.

We see from scripture that all the elements of Babylon are in this first 'One World System' that God destroyed. The whole thought patterns of mankind had been dominated and seduced by 'Mystery Babylon', and of course the manifestation could not be concealed in the heart, and as always it came out in wickedness.

And GOD saw that the wickedness of man was great in the earth, and that every imagination of the thoughts of his heart was only evil continually.

Genesis 6:5

The murderous spirit manifested and the earth was filled with violence. This is the spirit of Babylon and includes fear, revolution, and war.

The earth also was corrupt before God, and **the earth was filled with violence**. And God looked upon the earth, and, behold, it was corrupt; for all flesh had corrupted his way upon the earth.

Genesis 6:11-12

Shed Blood Corrupts God's Creation

God said that the earth was corrupt. This does not mean just people; it means all of his creation. When blood is shed through violence, because it is the life of the flesh, it corrupts the earth. When Cain killed Abel, God said that his brother's blood cried out from the earth. This shed blood is an important part of the wickedness of Babylon for in the book of Revelation, when describing the 'Whore of Babylon', God says that all the blood of the martyrs are in her.

And I saw the woman drunk with the blood of the saints, and with the blood of the martyrs of Jesus: and when I saw her, I wondered with great admiration.

Revelation 17:6

Another manifestation of Babylon is sexual perversion which, as I have stated, is an integral part of witchcraft. Angels had left their realm to dwell on earth, mate with the daughters of man, and this unholy union and mixture produced giants – Nethalim.

And it came to pass, when men began to multiply on the face of the earth, and daughters were born unto them, that the sons of God saw the daughters of men that they were fair; and they took them wives of all which they chose ...There were giants in the earth in those days; and also after that, when the sons of God came in unto the daughters of men, and they bare children to them, the same became mighty men which were of old, men of renown.

Genesis 6:1

The book of Jude confirms that these angels left their ‘first estate’ and now await God’s judgement.

And the angels which kept not their first estate, but left their own habitation, he has reserved in everlasting chains under darkness unto the judgement of the great day.

Jude 1:6

Restricted Life span

Because the whole world had been dominated by this Babylon spirit, God restricted the life-span of men from almost 1000 years to 120 – a massive reduction on the

time men would spend on earth. This is another example of how God limits the growth of Babylon.

And the LORD said, My spirit shall not always strive with man, for that he also is flesh: yet his days shall be an hundred and twenty years.

From Genesis 6:1-4

One of the saddest verses in the bible follow this

And it repented the LORD that he had made man on the earth, and it grieved him at his heart.

Genesis 6:6

I cannot begin to imagine the pain, sorrow, and disappointment it must have taken for Almighty God to repent (be sorry) of something he had done (it is so astounding that most Christians do not believe this scripture and water it down to mean something other than repentance). The consequence was that God decided to start with a re-creation, after destroying his first and perfect one.

I will destroy man whom I have created from the face of the earth; both man, and beast, and the creeping thing, and the fowls of the air; **for I repent** that I have made them.

Genesis 6:7

And God said unto Noah, The end of all flesh is come before me; for the earth is filled with violence through them; and, behold, I will destroy them with the earth.

Genesis 6:13

God completely destroyed all that Babylon had done to corrupt his creation, along with the earth itself. It would never be the same after the flood. It would now rain on the earth and start a cycle that was not in the first creation. The whole face of the planet was changed. I believe there was only one land mass before the flood, but now there were whole continents separated by water, which again would help in the restriction on the rapid spread of Babylon.

Never Again

When God saw the devastation that he had caused, he made a vow to himself, and to Noah, that he would never destroy the earth with water again. He said the rainbow was his promise to mankind that he would never destroy the earth again with water. God has now reserved the earth to be destroyed by fire when he destroys the last Babylon – the one manifested in our present world.

Whereby the world that then was, being overflowed with water, perished: but the heavens and the earth, which are now, by the same word are kept in store, **reserved unto fire** against the day of judgement and perdition of ungodly men.

2 Peter 3:6-7

God would now start again with a clean slate and 8 people that had survived the destruction of the whole earth. How long did it take for Babylon to reach fruition again so that God had to again step in and do something

drastic? I am sure you will be shocked when we come to it in the next chapters.

CHAPTER 6

THE UNHOLY COUNTERFEIT

The last great delusion is soon to open before us. Antichrist is to perform his marvellous works in our sight So closely will the counterfeit resemble the true that it will be impossible to distinguish between them except by the Holy Scriptures.

Ellen G. White (November 26, 1827 - July 16, 1915)

Human beings seem to have an almost unlimited capacity to deceive themselves, and to deceive themselves into taking their own lies for truth.

R.D.Laing

The wolf will hire himself very cheaply as a shepherd.

Russian Proverb

If Satan seeks to be like God and to be worshipped as God then it makes sense that he will use the same method

and instruments even if they are counterfeit. It may seem strange to many Christians but it seems to me that God always wants worship and sacrifice through a mediator.

Even before he created the universe there was this mysterious person called Melchizedek, who was not flesh and blood, but nevertheless the bible tells us that he was the priest of the most high God. He had no mother or father, so he was not human, yet he was a priest – even before creation God had a priest.

And Melchizedek king of Salem brought forth bread and wine: and he was the priest of the most high God.

Genesis 14:18

Without father, without mother, without descent, having neither beginning of days, nor end of life; but made like unto the Son of God; abiding a priest continually.

Hebrew 7:3

It was prophesied by David that there would arise another priest after this spiritual order and Jesus, when he arose from the dead, was that priest after this order of Melchizedek.

The LORD has sworn, and will not repent, You are a priest for ever after the order of Melchizedek.

Psalms 110:4

Whither the forerunner is for us entered, even Jesus, made an high priest for ever after the order of Melchizedek.

Hebrews 6:20

When God made a way for mankind to be forgiven, he separated a priesthood from the lineage of Aaron and they were mediators between man and God. Once a year the High Priest would mediate for the whole nation of Israel, and God would forgive the nation. For the final solution for the sins of mankind it took more than a priest of the line of Aaron, and so God himself had a son and he offered him as a sacrifice for the sins of the whole world. Jesus, God's son, is now at his father's right hand as an intercessor – a mediator, for those who have accepted his sacrifice. My point for explaining all this is to show that God wants mediation and not direct access. We now have access to the throne of God, but it is still through Jesus, and all we do is in the name, that is authority, of Jesus.

Satan Uses Mediation

Satan, therefore, will always use mediation for worship. That is why witchcraft and Satanism always have their priests, and all religions, from Buddhists to Hindus, Catholics to Muslims have their holy men as mediators to their god. Satan also has a final solution that he is trying to bring to humanity and he would have already succeeded if God did not keep aborting his plan. The Roman emperors were priests as well as dictators and the Popes who took over from imperial Rome have continued this role. They profess to show us the way to God, or the gods as the case may be. Satan's plan will indeed come to pass for a short while; and very soon on this world's stage. His antichrist will convince the whole world to worship the beast who sits

in the place of God purporting to be ‘God’ – he will be Satan personified.

Father, Son and Spirit

Christians believe that not only does God exist, but that he has a son, our High priest, and we believe God’s spirit – the Holy Spirit, manifests to us in this world. One of the characteristics of this spirit is that of guiding into truth, in fact one of his names is ‘The Spirit of Truth’.

Even the Spirit of truth; whom the world cannot receive, because it doesn’t see him, neither knows him: but you know him; for he dwells with you, and shall be in you.

John 14:17

This spirit is to guide us into all truth, that is, to show that Jesus is the only way to the father. This spirit does not speak of himself.

The counterfeit of all that God is and does will do exactly the same. There is a spirit of Satan and this is the spirit of deception that manifests in the world to convince men that antichrist is the only way to God. We shall see in the last and present Babylon that these spirits manifest in the False Prophet and the Man of Sin – antichrist, and the One World Dictator – the woman, and the beast she rides upon.

An Unholy Trinity

There is a perfect counterfeit for the Father, Son, and Holy Ghost which predates Christ and long before the

Catholic Church, at the council of Nicea, formulated the doctrine we now have throughout Christendom that we call ‘The Trinity’.

The Egyptians had Isis, Osiris, and Horus, and the Babylonians and Hindus had other trinities. Osiris had a wife Isis, and a son Horus (a counterfeit of Jesus). Isis was Horus’s mother just as God’s people Israel were depicted as God’s wife.

The whore always describes herself as a virgin for the outward appearance is one of purity and chastity. Her heart however, is one of a whore. This is the subtlety of Babylon. It appears clean and virginal, yet in God’s eyes she is a filthy whore.

The very first counterfeit of Satan was Nimrod who built the city of Babylon just after the flood. Jewish history tells us that his wife was Semiramis, a prostitute who purported to be a virgin. Their child was called Tammuz. Semiramis was also the mother of Nimrod. She was called the ‘Queen of heaven’ and ‘Mary mother of God’ is this same demonic counterfeit.

This was the first of thousands of similar trinities throughout history, with different names, because of different cultures and languages, but they are the same gods and the same unholy trinity – Satan’s counterfeits. We do not need to look at them all, so long as we are aware that all religions are from the same roots and all have the same trinity and mother and child images. Here are a few of the name of this first whore of Babylon.

Icmene, mother of Hercules – gave birth on December 25th

Alitta, Babylonian Madonna and Child

Anat, Syrian wife of “the earlier Supreme God El,” called “Virgin Goddess”

Cavillaca, Peruvian huaca (divine spirit) impregnated by the “son of the sun god” through eating his semen in the shape of a fruit

Chimalman, mother of Kukulcan

Chinese mother of Foe (Buddha)

Coatlicue, mother of the Mexican god Huitzilopochtli

Cybele, “Queen of Heaven and Mother of God”

Danae, mother of Perseus

Demeter/Ceres, “Holy Virgin” mother of Persephone/
Kore and Dionysus

Devaki, mother of Krishna

Frigga, mother of the Scandinavian god Balder

Hera, mother of Zeus’s children

Hertha, Teutonic goddess

Isis, who gave birth to Horus on December 25th

Juno, mother of Mars/Ares, called “Matrona” and “Virginalis,” the Mother and Virgin

Mandana, mother of Cyrus/Koresh

Maya, mother of Buddha

Mother of Lao-kiun, “Chinese philosopher and teacher, born in 604 B.C.”

Mother of the Indian solar god Rudra

Nana, mother of Attis

Neith, mother of Osiris, who was “worshipped as the Holy Virgin, the Great Mother, yet an Immaculate Virgin.”

Nutria, mother of an Etruscan Son of God

Ostara, the German goddess

Rohini, mother of Indian “son of God”

Semele, mother of Dionysus/Bacchus, who was born on

December 25th

Shin-Moo, Chinese Holy Mother

Siamese mother of Somonocodom (Buddha)

Sochiquetzal, mother of Quetzalcoatl

Vari, Polynesian “First Mother,” who created her children
“by plucking pieces out of her sides.”

Venus, the “Virgo Coelestis” depicted as carrying a child

Following are a few images of ‘mother and child’ from different religions to confirm that what I am stating is not speculation. The child, who is always a son in all religions, is the one who will redeem the world. Just like the Catholic Trinity doctrine the son is also the father, and I will give a list of some of the names that different cultures and religions have used for the same counterfeit son in the next chapter. The capstone on the pyramid of the one dollar bill of the United States of America with it’s all seeing eye is Lucifer, a counterfeit of Jesus, the cornerstone mentioned in the epistles of the New Testament.

Greek goddess - and son

Egypt goddess - Isis and Horus

Hindu goddess and son

Ancient goddess and son

Etruscan goddess and son

Babylon goddess and son

Venician

It is so easy to be deceived into the counterfeit, for it is a perfect shadow of the true and Babylon – the whore – is very close to the true wife of God, Israel, or the bride of Christ, even if light years away in reality. This paradox makes it imperative that we are diligent and seek the ‘true’ truth with all our hearts. God will allow us to go into error as soon as our motives deviate from selflessness to selfishness, from giving to taking, or from loving to lusting.

This unholy counterfeit is at the roots of the Babylonian spirit that has captured almost the whole world at this present time. All the religions are from this one root of Nimrod, Semiramis and Tammuz. The prophet Ezekiel challenged Israel because they had been deceived into worshipping these 3 deities and were weeping for Tammuz – I find this unbelievable!

Then he brought me to the door of the gate of the LORD’S house which was toward the north; and, behold, there sat women weeping for Tammuz.

Ezekiel 8:14

The common image of the fleur-de-lis is an occult symbol of the unholy trinity of Nimrod, Semiramis and Tammuz

CHAPTER 7

THE TOWER OF BABEL

And the LORD said, Behold, the people is one, and they have all one language; and this they begin to do: and now nothing will be restrained from them, which they have imagined to do.

Genesis 11:6

You ask me, “Does God exist?” My answer is ... “Not yet”

Ray Kursweill

I will now look at what happened after the flood as the Spirit of Babylon manifested again in more tangible forms. I have only looked at the first few chapters of the bible and yet we have seen that the system of Babylon had come to such a dangerous situation that God destroyed the whole earth and was willing to start again with just 8 people. Did this solve the spirit of Babylon? No, it did not, because although the bible says that Noah was

a righteous man, it does not say the same for his family. God brought them through the flood because of Noah's righteousness (salvation is for a man and his household), but the bad seed survived the flood. Because of this fact the problems started again, and very quickly.

After the flood God blessed Noah and his sons and told them to multiply and fill the earth as he had done with Adam.

And God blessed Noah and his sons, and said unto them, Be fruitful, and multiply, and replenish the earth.

Genesis 9:1

Babylon Manifests Again

Just as in the first generation of Adam, the spirit of murderous Babylon emerged, so it was with Noah and his seed. The sexual immorality that is a part of Babylon manifested. His son Ham sinned and his seed, Canaan, was cursed. Please note that it was not Ham that was cursed, but his son. I believe Ham did more than just look at his naked father. When the bible talks about not uncovering your sister's nakedness, it is not talking about seeing her with no clothes on, it means: do not discover her secret, do not be one with her, do not find the truth of her. This is what sexual union is all about, becoming one, knowing the truth of a person. There is a verse that would imply what I am suggesting happened between drunken Noah and his son. This verse says that Noah knew what his son had done to him, not what his son had seen. I believe there was some

sexual activity, as this is part of Mystery Babylon, and it warranted cursing.

And Noah awoke from his wine, and knew what his younger son **had done unto him**. And he said, Cursed be Canaan; a servant of servants shall he be unto his brethren.

Genesis 9:24-25

We know there were giants before the flood and we know there were giants after the flood. Moses and his armies killed Og, the king of Bashan, who was a giant.

For only Og king of Bashan remained of the remnant of giants; behold, his bedstead was a bedstead of iron; is it not in Rabbath of the children of Ammon? Nine cubits was the length thereof, and four cubits the breadth of it, after the cubit of a man.

Deuteronomy 3:11

There were also giants in Canaan, the most famous being Goliath of Gath. He had 4 brothers who were also giants. This shows that the Sons of God had mated with the daughters of men to produce these supermen after the flood. It is always the devils plan to create a man/god that would be immortal. That is what he said to Eve: “you shall not die”. He was offering her immortality without the tree of life – his way for God’s way – possession by devils, and a mixing of humankind with spiritual beings.

Japheth

In Chapter 10 of Genesis it gives the genealogies of Shem, Ham, and Japheth. First is Japheth and it lists the founders of the Gentile nations which include Magog, Tubal, Togamah, Meshech, and Ashkenaz which are familiar names associated with those ancient families who will come against Israel at the battle of Armageddon very soon – and I believe in my lifetime (read Ezekiel 38-39, and Revelation 20:8). Verse 5, of Genesis 10, is interesting because it says that the Isles of the Gentiles were divided into their tongues and nations.

By these were the isles of the Gentiles divided in their lands; every one after his tongue, after their families, in their nations.

Genesis 10:5

This is the first mention in the bible of languages and nations. Up until this time everyone was located in the same area and spoke the same language.

Shem

There is an interesting verse in the genealogies of Shem that talks about the dividing of the earth into nations and tongues. Eber was a son of Arphaxad and one of his sons was called Peleg. The name Peleg means 'division' and we find that it was in his lifetime the earth was divided.

And unto Eber were born two sons: the name of one was Peleg; for in his days was the earth divided; and his brother's name was Joktan.

Genesis 9:25

From these 2 verses we can approximate when this division of the earth was. The lineage of Shem was 3 generations after the flood to Peleg.

Arphaxad, Eber. Peleg,

Because the bible gives us detailed information about the seed of Shem, which is the lineage of Jesus, we can compute the dates. We know that Shem's son was born 2 years after the flood.

These are the generations of Shem: Shem was an hundred years old, and fathered Arphaxad two years after the flood:

Genesis 11:10

After 35 years Arphax had a son named Salah, and he had a son after 30 years named Eber. Eber lived 34 years and fathered Peleg. Peleg lived to be 239 years old, so if the earth was divided in his time it would be between 101 and 310 years after the flood. This was the 4th generation of Noah through Shem (see Genesis 11:10-18).

Ham

When we look at the lineage of Ham we find that Cush was his son, and he fathered Nimrod, so again it is

the 3rd generation after Noah that the tower of Babel was started and God divided the nations. Because Nimrod was the 3rd generation and Peleg the 4th it is reasonable to suggest that it was early on in the life of Peleg rather than later.

Why is this significant, and why have I spent time to show all this? Quite simply, it is to show that the entire population of the earth, at the time of the tower of Babel, was very small indeed – I suspect the size of a small town or large village in our present time. I have estimated a number of 30,000, at the most, but it could be a fraction of this number. However, whatever anyone computes it will be a relatively small number after 3 or 4 generations from 3 couples.

Nimrod the Mighty One

We know that Nimrod, from the seed of Ham, built Babel or as in the Greek, Babylon. Here are some of the names that are the same god. Nebo, Apollo, Poseiden Achillies, Mars, and there are many others that are all another name for Nimrod.

And Cush begat Nimrod: he began to be a mighty one in the earth. He was a mighty hunter before the LORD: wherefore it is said, Even as Nimrod the mighty hunter before the LORD. And the beginning of his kingdom was Babel, and Erech, and Accad, and Calneh, in the land of Shinar.

Genesis 10:8-10

Chapter 11 of Genesis tells us that the whole earth was of one language. From this it might seem as if the

whole earth was populated, but from what I have shown it could only have been a small tribe from the same father – Noah.

And the whole earth was of one language, and of one speech.

Genesis 11:1

The next verse, however, confirms it was a small group.

And it came to pass, as they journeyed from the east, that they found a plain in the land of Shinar; and they dwelt there.

Genesis 11:2

Notice, that they travelled from the East, which means they were going west. This was the start of a westward movement of the Babylonian system that has come full circle in our present time and almost reached the point that this small tribe had reached in a few years after the flood. The verse says that as they – being the whole tribe – came to a plain, they settled. The plain was in the land of Shinar, which means ‘2 rivers’ which geographically can only be the Tigris and the Euphrates.

The whole population of the planet settled in this plain, and started to build. Nimrod built many cities in this plain, including Erech, which some historians say was one of the first cities to be built. Others cities were called Accad, and Calneh.

Why Stop the Building?

Why was it that God took an interest and decided to stop the building of this particular city? What was different from all the other cities that Nimrod had built? The principle that I shared in previous chapters is the key – the ultimate aim of Mystery Babylon is not about money, empire building, or control; it is about worship to Satan, and this is what Babel was being built for.

This city of Babylon would house a temple, and this temple would be a gateway to Satan and worship of him. Nimrod would have completed the One World Religion to Satan if they had succeeded. This is why God took an interest when the city started to be built. We cannot underestimate the significance of this. It actually says that God came down to earth to see what they were doing. I believe this was the first time since the garden of Eden that God himself came down to earth.

And the LORD came down to see the city and the tower, which the children of men built.

Genesis 11:5

The next verse is very revealing for it says that nothing this tribe imagined to do would be restrained from them. We need to ask what it was that they imagined to do that God decided to act so quickly after the creation had started again. I believe it is to do with this mingling of

the seed of man with animals and angels or demons that is such an abomination to God. To mix human beings with spiritual beings is what the devil needs to fulfil his plan and in the last volume, of this series of books, I will explore this and show how far the instigators of the present One World System have progressed. They are starting to use genetic engineering and bio-technology to produce a hybrid trans-human super-race, and have brought the evil principle of eugenics to depopulate the world to one twelfth of its present population. Satan is very close to this possibility, and soon we will have an invasion to earth of angels of Satan as prophesied in the book of Revelation. These are the aliens that the science fiction movies are preparing us to accept.

Playing at God

Because man was made in the image of God, when man pursues his own ways, the possibilities are far above what man has yet achieved in this present generation of the 21st century. We are now playing at God with our genetic engineering and are near to entering the post human civilization where mankind will cease to be human. I will look at this in the last volume of this series, but if anyone doubts that we are near to this I suggest you look at a documentary about a man called Ray Kurzweil called 'Transcendent Man', and his book entitled 'Singularity'. Now that we know the mystery of DNA, we can achieve what Satan wants to do, and create a super-race controlled by Satan himself. The people of Babel were going to do 3 things

1. Build a city
2. Make a tower to reach to heaven
3. Make a name for themselves so they would not be scattered

And they said, Go, let us build us a city and a tower, whose top may reach unto heaven; and let us make us a name, lest we be scattered abroad upon the face of the whole earth.

Genesis 11:4

Building a city was the first thing that Cain did when he left the presence of the Lord. Cities are always the consequence of false worship and false religions – all have holy cities and in them, temples, and it is no different today. The temple is where the gods dwell. Ancient Rome had its Pantheon, and present Rome has St. Peters, The city of London has St. Paul's, and Washington DC has the Capitol building. The tower in Babylon was to be this temple – the gateway to heaven – in this case to Satan himself.

Making a name for themselves was for power and control. God always calls out – Abraham is the first to be called out of a city, but Babylon gathers in. All 3 statements are in direct opposition to what God intended of man and are counterfeit.

We must not forget that cities always represent women. Babylon is the filthy whore, and Jerusalem is the virgin bride of Christ.

When God came down and saw what Nimrod was doing, he said 3 things:

1. The people are one
2. They have one language
3. Nothing will be restrained from them

And the LORD said, Behold, the people is one, and they have all one language; and this they begin to do: and now nothing will be restrained from them, which they have imagined to do.

Genesis 11:6

What was it that they imagined to do that God had to step in and confuse. Most Christians have no idea of this mystery of Babylon, and what its end aim is. Christians will often refute evolution vehemently, yet do not realise what the doctrine is all about. It is not primarily about where we have come from and how we have evolved into our present state, it is about where we are going and what we will eventually evolve into – gods – trans-human. This should tell us where the ‘Manifest Sons of God’ doctrine, that many Christians follow, has its roots and where the teaching of many TV preachers with their talk about being little gods and speaking words to attract what you want, have their roots. This teaching is absolute occult based and millions of Christians are caught up in Mystery Babylon and don’t have a clue that it is not biblical. This is the hidden mystery of Babylon

and we are near the completion of this last manifestation in the 21st century.

Evolution 2012

As I have just stated, evolution and the survival of the fittest is not just about the past, it is also about the present and future. Mass genocide only proves that the fittest survive, and what Hitler did was based on the doctrine of Evolution – to produce an advanced, pure race, by exterminating the weaker and inferior peoples. He would not have stopped with all the Jews, he also believed all black races were inferior and wanted to eliminate them also.

The first physical manifestation was not the time for the One World System to be accomplished in its fulness, for God's plan had a long, long way to go before this would be allowed to happen (God is always in complete control and sits in the heavens and laughs at the ways of man). He had not called a special people yet, or built a city for himself to dwell in on earth, nor had he sent his son – the second Adam – to redeem mankind and make it possible for man to have a spiritual body like God himself. Therefore, God thwarted the plans of Nimrod so effectively that it has taken 4,500 years for it to build up to the same situation again.

I believe that this time God will allow the One World Religion to manifest to its fullness, and Satan will be worshipped as God through the Man of Sin who will sit in Jerusalem. Once the world worship Satan, all his evil imaginations can be fulfilled. It will be a time of

unprecedented lawlessness on planet earth until Jesus returns to defeat this man and set up the 1,000 year reign of peace.

God Caused Confusion

How did God thwart Nimrod's plan. Well, he dealt with the first 2 statements the builders of the city made and the 3rd looked after itself. He confounded the languages of this tribe and then scattered them throughout the whole earth. They would no longer be able to cooperate and communicate to build this city and tower again. It was very effective, for even now we do not have a universal language.

We are, of course, very close because of translation software and it is now possible for a man to speak in English and someone in China to hear it in Chinese, and for him to reply in Chinese and for the original man to hear the conversion in English. The English language has become universal for science, medicine, and legal and commercial dealings.

The bible says that when God confused their languages and scattered them throughout the earth they left off to build the city – the universal whore. It is interesting that we do not know if they had even started to build the tower/temple. I believe God moved very quickly with this little company and nipped everything in the bud – so great was the danger so early on in world history.

So the LORD scattered them abroad from there upon the face of all the earth: and they left off to build the

city. Therefore is the name of it called Babel; because the LORD did there confound the language of all the earth: and from thence did the LORD scatter them abroad upon the face of all the earth.

Genesis 11:8-9

This did not destroy Babylon of course, for it is a spirit and principle and will always manifest. Slowly the hideous seed began to grow again and when God wanted to call a special people to fulfil his purposes, he called Abram out of Ur of Chaldea (another name for Babylonia), 164 years after the dispersion. Ur was by this time the centre of moon worship. God would start another kingdom with its centre in Jerusalem and remove the cursed seed of Canaan, who would be replaced in this land, for it to become the Kingdom of God.

Jerusalem – God’s City

Once Satan knew that God’s kingdom capital was to be Jerusalem he has coveted it ever since and will in fact control it before its rightful owner takes control. Whoever controls the land of Israel and the city of Jerusalem will control the world and its worship.

However, when Israel were established as the kingdom of God on earth God gave his rules and territory to his kingdom. They were not to rule the world as Babylon seeks to, but to be a light in the world. His true people, from that time in history, will always be the remnant until God’s son rules the earth with a rod of iron.

Mankind had failed to worship the true God and

preferred the Mystery Babylon worship. Hundreds of branches of the mystery religion spread throughout the earth, and with differing cultures and languages people today think that there are many religions, but in truth there are only 2 – Mystery Babylon or worship of Jehovah.

Quality not Qnantity

After the dispersing of the builders of Babylon to build a universal religion, God would now start to show the principle that love is not to do with size, or quantity, but of quality, and from this time in history God would always seek a separated remnant. Never again would he seek the whole earth to worship him. He knew what was in the heart of man and it must have broken his heart to make the following statement before he destroyed the earth the first time with a flood.

And GOD saw that the wickedness of man was great in the earth, and that every imagination of the thoughts of his heart was only evil continually. And it repented the LORD that he had made man on the earth, and it grieved him at his heart. And the LORD said, I will destroy man whom I have created from the face of the earth; both man, and beast, and the creeping thing, and the fowls of the air; for I repent that I have made them.

Genesis 6:5-7

Thank God for the next verse

But Noah found grace in the eyes of the LORD.

Genesis 6:8

This is the beginning of the remnant who always escape the violence of Babylon and its destruction by God. This remnant go through to carry the seed of the Saviour and the bride instead of the seed of the serpent, to the next generation.

It took a long time for the physical Babylon to manifest again as a world force but 2000 years hafter the flood Babylon had controlled the known world – from India to Ethiopia, 137 provinces

...And that is where I will start the next volume.

RADICAL DISCIPLESHIP

Maurice Barratt has written a 6 volume series on discipleship based on the Sermon on the Mount. It is not a theological, but a practical look at how Jesus expects us to actually live. He argues that Christianity is a lifestyle more than a belief, and if taken literally, and practiced, it will change any person radically.

ISRAEL THE CHURCH & THE KINGDOM OF GOD

Maurice Barratt has written 7 volumes on this vital subject. He presents the whole plan of God from the creation to the destruction of the present earth and the new creation that will last for eternity. Throughout the volumes Maurice shows that God's plan is one of love, romance and family life and this refreshing approach will surprise and challenge the very basis of many Church doctrines. His style is easy reading and based on logic and the bible.
